

Independent Achievers

Samantha graduated from the University of Lethbridge where she obtained her Bachelor of Management degree in Finance and subsequently obtained her Masters of Business Administration from Bond University, Australia.

In 2017, she joined the MacDougall Wealth Management Group. She has completed her Canadian Securities Course (CSC), Conduct and Practices Handbook (CPH). She continues to broaden her education relating to the investment industry and plays a vital role in assuring clients reach their goals and secure their legacy.

Outside of the office she enjoys being involved in her family's commercial cattle and mixed grain farm operation, camping, traveling and winter sports.
